

## Browse and embed/link streamed videos

eLR (e-Learning Resources) provides for the flexible storage, search, discovery and retrieval of all types of learning resources. Content may include Microsoft Office documents, PDFs, images, audio, music, video, course content, information on specific areas of interest, teaching and learning strategies and Interactive Learning Objects (IMS packages).

### Contents

|                                |   |
|--------------------------------|---|
| Access eLR.....                | 1 |
| Within your eLearn course..... | 1 |
| Directly via eLR.....          | 1 |
| Browse streamed videos .....   | 2 |
| Copy or link in eLearn .....   | 3 |
| Embed the video .....          | 4 |

### Access eLR

eLR can be accessed two (2) ways:

#### ***Within your eLearn course***

*Turn editing on.*

In a section block in eLearn, click on the **Add an activity or resource** menu and select **e-Resource**.

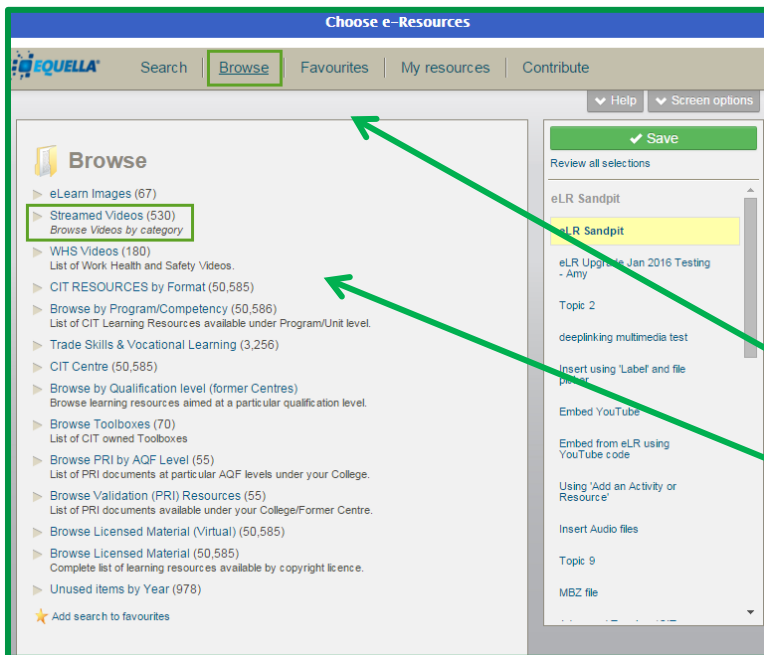

#### ***Directly via eLR***

The URL is <http://celrprod.cit.edu.au/> or click on the eLR icon on your desktop when on a CIT campus computer.

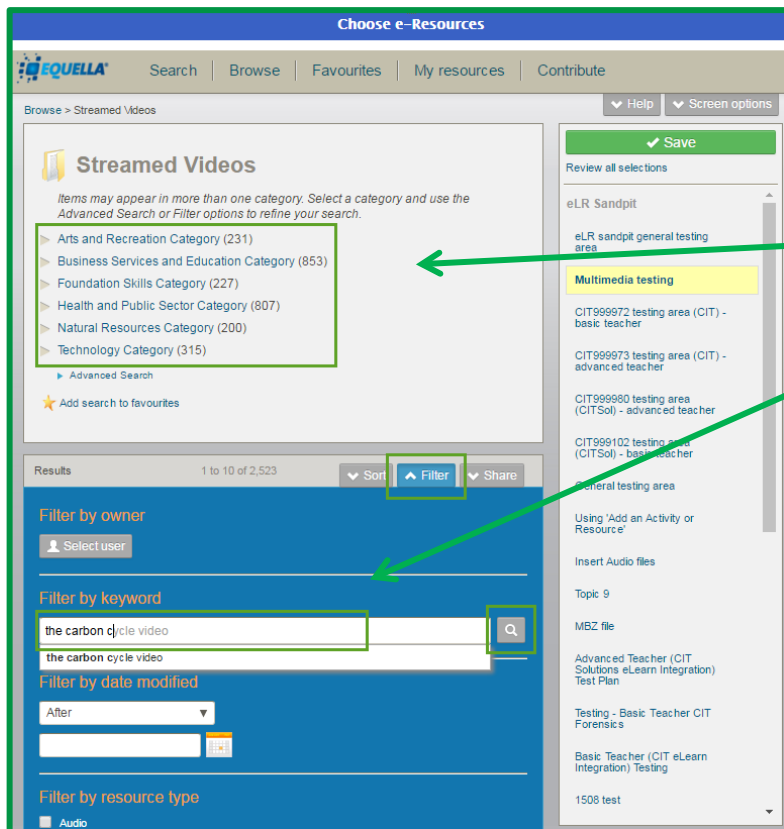

Log in using your **CIT number** and **password** as you would for eLearn.

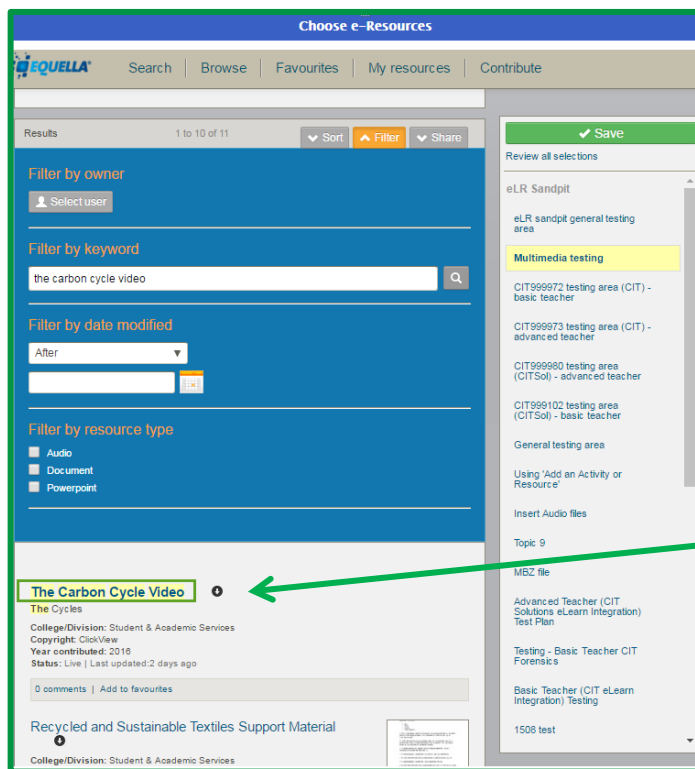

## Browse streamed videos

- In eLearn: Turn editing on
- In a section block in eLearn, click on **Add an activity or resource** and select **e-Resource**. This will open the eLR integration screen within eLearn. Search is the default screen
- Click **Browse** tab at the top to view all your browse options
- Click **Streamed Videos** to access the categories listed.

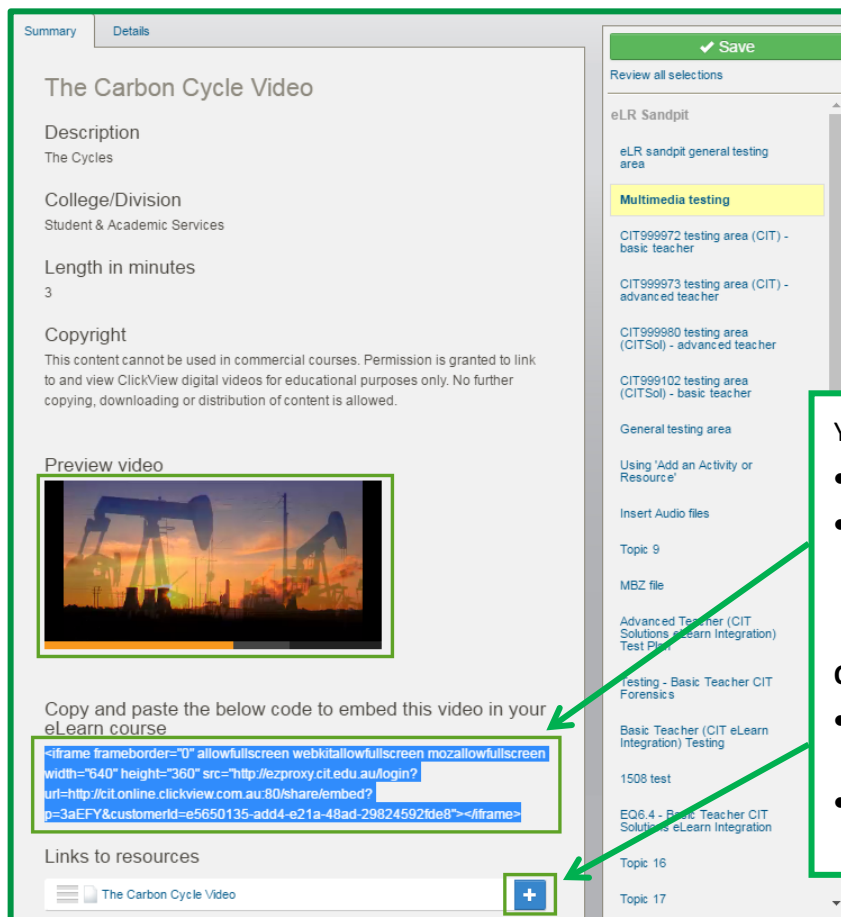

- Click the **Categories** to browse the videos available OR;
- If you know the title, then **type the keywords** under **Filter** option to search for the video/s.

• Click on the **Title** of the video to view the details (item summary page).

### Copy or link in eLearn

You can:

- **Preview** the video
- **Embed the Video:** highlight the embed code and right-mouse click and copy (or Ctrl + C on your keyboard)

**OR;**

- Select **+** to **link** the URL of that video in your eLearn course
- Select **Save** to return to course home page.

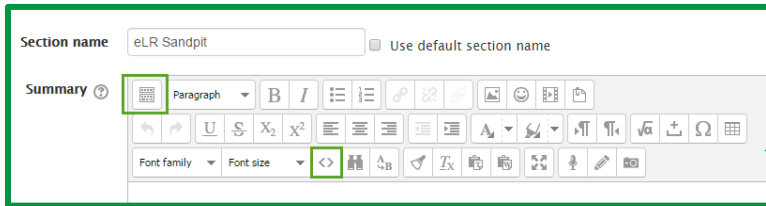

## Embed the video

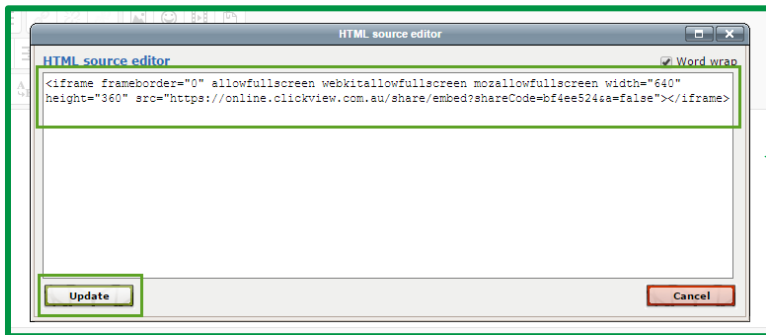

• If embedding the video on the course main page:  
click on the **Edit Summary** tool in the block where you want to embed the video.

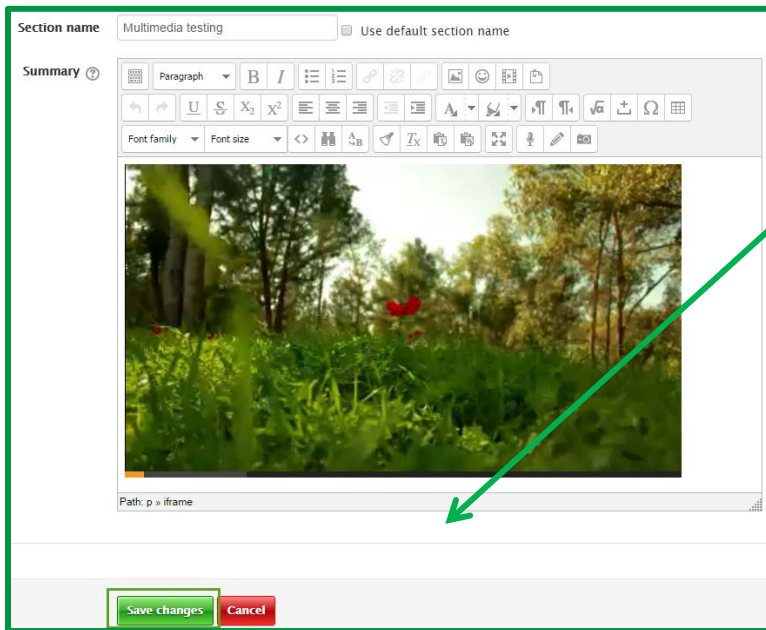

• Click **Toolbar Toggle** to expand.

• Click **edit HTML source**.

• Paste the **copied embed code** in the HTML source editor  
• Click **Update** to return to the edit summary screen.

• The embedded video will appear in the summary section  
• Click **Save changes** to return to course home page.

If you do not wish to embed the video on the course main page, you can add a Page or book and embed within in the page/book.

- Select the block where you want to add a new Page/book
- Select Add an activity or resource
- Scroll to the end and select Page/Book
- Select Add

Follow the same steps to embed the video in the new page/book.
