

## LOG-IN GUIDE

### What is eLearn?

**eLearn** is a rich learning environment which gives you a variety of learning experiences.

When you log into eLearn you are presented with a mix of blogs, wikis, forums, links to websites, learning objects, toolboxes, audio, video, quizzes and many others.

It incorporates a Virtual Classroom where you can collaborate with your classmates and teachers. This is much like an online meeting place where you can use chat, share your desktop, show Internet sites and collaborate using the whiteboard.

### How do I start?

Enter the following URL into your address bar in your browser: <http://elearn.cit.edu.au>

On the log-in screen, log in with your **CIT ID**.  
(eg. **CIT\*\*\*\*\***)

**Passwords** are initially set to your date of birth in the format of ddmmyy.

Enter the password. Then click 'Login'.

Once logged in, you will see the subjects into which you are enrolled.

### How do I change my password?

You can change your password via <http://proxy2.cit.edu.au/admin>.

Should you require your password to be reset you can contact the Learning Centre, Student Services Hub, Banner Assist, Online Support, or the INFACT Student Help Desk on (02) 6207 5511.

### Need help?

If you require help contact CIT Online Support,
